

For Sale: Bumper Car Business!

One-of-a-Kind, complete running fleet of 12 volt converted cars, parts inventory and the only bumper car website featuring original steel body bumper cars from the 1920s - 50s

Specially converted 12 volt bumper cars no longer need a ring or confined space.

Unlimited potential to create unique, engaging interactive experiences for people 8 to 80 years old.

- ◆ TV Commercials, music videos, movie props (these have already appeared in reality TV shows “Auction Hunters”, “American Restoration”, “American Pickers”)
- ◆ Lease for corporate events, parties and conventions
- ◆ Automotive-related venues such as car shows and races... to name only a few!

Included in the sale of Lusse Auto Scooters:

Fleet of six restored, running 12 volt converted steel body 1946 to 1953 model Lusse Auto Scooter bumper cars

Five used (unrestored) complete 1953 Lusse Auto Scooters

1923 Original first production car - The only one known to exist - priceless

Used, new, reproduction parts and inventory

Website (the only bumper car website on the Internet)

Mixed lot of original technical / literature / memorabilia

Original illustrated graphics for calendar / poster art
